COMPANIES 1-10,

Civil Action No. _____

COMPLAINT

DEMAND FOR JURY TRIAL

Plaintiff MerchDirect LLC (“Plaintiff”), by its attorneys Pryor Cashman LLP, alleges as follows against Defendants SunFrog LLC, Josh Kent, John Does 1-10 d/b/a Sunfrog.com, Jane Does 1-10 and XYZ Companies 1-10 (collectively, “Defendants”):

NATURE OF ACTION

1. This is an action for willful trademark infringement, unfair competition, and trademark dilution, among other statutory and common law violations. Defendants have willfully traded upon the goodwill and notoriety of Deftones, a Grammy® Award-winning American alternative metal band by selling unauthorized merchandise bearing the Deftones’ trademarks. In particular, Defendants have offered for sale and/or are offering for sale and selling the unauthorized merchandise below, which brazenly display the DEFTONES trademark and SKULL mark (in design form) (collectively, the “DEFTONES and SKULL Marks”):

Defendants' Unauthorized Merchandise

2. Upon information and belief, Defendants are using the DEFTONES and SKULL Marks to falsely designate Plaintiff, the exclusive licensee of these marks for merchandise, as the source of the Defendants' products and/or to falsely associate Plaintiff with these unauthorized products.

3. Defendants prominently display the DEFTONES mark in a stylized form that is nearly identical to Plaintiff's stylization, as shown below:

Plaintiff's Stylization

Defendants' Stylization

4. Deftones' self-titled studio album *Deftones* featured a skull design with roses displayed behind it. Since the release of the album in 2003, Deftones has used the SKULL mark as a source identifying trademark for a wide array of merchandise, as depicted below:

*Example of Plaintiff's Merchandise
Bearing the SKULL mark*

5. Through its continuous use of the SKULL mark, Deftones has developed significant common law rights in the mark.

6. Fully aware of Deftones' common law rights, Defendants have misappropriated the SKULL mark as shown on the merchandise depicted above. Defendants' use of the SKULL mark in conjunction with the DEFTONES mark is likely to exacerbate the likelihood of consumer confusion.

7. Despite correspondence from Plaintiff to Defendants demanding that they cease and desist their infringing activities, Defendants continued to sell unauthorized products at Defendants' online store located at <sunfrog.com>. Defendants' actions constitute willful infringement.

8. Defendants' actions have caused and are causing immediate and irreparable harm to Plaintiff. To redress the harm that the Defendants are causing to Plaintiff and to the public, Plaintiff brings claims for trademark infringement under Section 32(1) of the United States

Trademark Act of 1946, as amended (the “Lanham Act”), 15 U.S.C. § 1114(1); unfair competition and false endorsement under Section 43(a) of the Lanham Act, 15 U.S.C. § 1125(a); trademark dilution under Section 43(c) of the Lanham Act, 15 U.S.C. § 1125(c), and related claims under New York’s statutory and common law. Plaintiff seeks injunctive and monetary relief on account of Defendants’ egregious, willful and wanton activities, including exemplary damages, attorneys’ fees and costs.

FACTS

I. Plaintiff and Its Business

18. Deftones is an internationally renowned Grammy® Award-winning American alternative metal band that started in 1988 in Sacramento, California.

19. *Spin* magazine recognized the group as “[t]he most popular metal band ever birthed from California’s state capital,” and for nearly three decades, Deftones maintained a dedicated following of music fans. Deftones pioneered alternating heavy riffs and screamed vocals with more ethereal music and hushed singing -- spawning a fair amount of imitators in their wake.

20. Deftones’ first commercially released album in 1995 was *Adrenaline*, which achieved success on the *Billboard* Heatseekers Albums chart. Deftones vaulted to national prominence after its release of the LPs *Around the Fur* (1997), which peaked at No. 1 on the *Billboard* Heatseekers Albums chart and was the band’s first international success, and *White Pony* (2000), which was released to critical acclaim and unprecedented commercial success, peaking at No. 3 in the United States. The band released the eponymous *Deftones* album in 2003, peaking at No. 2 in the United States and also garnered widespread international success. Most recently in April 2016, Deftones released its eighth studio album *Gore*, which received extensive critical acclaim, and debuted at No. 2 on the U.S. *Billboard* 200 and at No. 1 on New Zealand

and Australia's top album charts. *Gore* was the band's fifth album to debut within the *Billboard* 200 Top 10 and is its highest-charting album since its self-titled 2003 album.

21. Since its founding, Deftones have released eight studio albums, three extended plays, three compilation albums, one demo album and twenty singles. Three of Deftones' albums have been certified Platinum® by the Recording Industry Association of America® (RIAA) in recognition of shipments exceeding one million copies.

22. Deftones' brand is strong – Deftones goods and services have generated millions of dollars in sales.

23. Deftones is the source of widespread unsolicited media attention and has been the subject of thousands of articles, including *Rolling Stone* and *Billboard*, to name just a few publications.

24. Deftones is the owner of the DEFTONES mark, Reg. No. 2,369,966, for use in connection with clothing and entertainment services. Deftones has been using the DEFTONES mark in connection with its entertainment services since at least as early as 1989. The DEFTONES mark has been renewed and has attained incontestable status. A true and accurate copy of the U.S. trademark registration certificate for Reg. No. 2,369,966, is attached hereto as Exhibit A.

25. Deftones also owns all common law right, title and interest in and to the following SKULL mark, and Plaintiff holds the right to market and sell goods bearing the mark:

26. Deftones' official merchandise, including t-shirt, sweatshirts, tank tops, hats and accessories sold under the DEFTONES mark and/or SKULL mark, is offered for sale at [<deftones.merchdirect.com>](http://deftones.merchdirect.com).

27. MerchDirect, an exclusive licensee of Deftones, creates, designs, develops, manufactures, distributes, advertises, promotes, and sells merchandise bearing the DEFTONES and SKULL Marks.

28. Plaintiff has invested considerably in creating, maintaining and promoting the goodwill associated with the DEFTONES brand name and SKULL mark, including significant sums spent on advertising and promotion. In addition to traditional advertising, Plaintiff markets and promotes its products and services through websites and social media platforms.

29. Deftones is immensely popular with the general consuming public as evidenced by, *inter alia*, its over 2.8 million "likes" on its Facebook page, located at [<facebook.com/deftones>](https://facebook.com/deftones), not to mention its sold-out concerts and platinum-selling albums.

30. Through its success in music for nearly three decades, including its sold-out musical performances and Platinum®-selling albums, and its consistent production of high quality goods and services, its extensive advertising and promotional efforts, including in connection with the sale of clothing, its international public and media appearances, and the solicited and unsolicited publicity that Deftones has received, the DEFTONES and SKULL Marks are famous, have garnered goodwill of incalculable value, and are substantial commercial assets.

31. To maintain the strength of Deftones' intellectual property, Plaintiff vigilantly protects and enforces this intellectual property on a worldwide basis.

II. Defendants and Their Infringing Activities

32. Upon information and belief, Defendants own the domain name <sunfrog.com> and operate a retail website at the domain that sells infringing merchandise (“Defendants’ Website”).

33. Defendants are not authorized to manufacture, market, promote or sell products bearing the DEFTONES trademark or the SKULL mark. Nevertheless, in a deliberate attempt to profit from the goodwill associated with Deftones and its intellectual property, Defendants purposefully sell clothing bearing the DEFTONES and SKULL Marks on clothing without authorization.

34. Upon information and belief, Defendants began using the DEFTONES and SKULL Marks years after Deftones established its rights in these marks.

35. Upon learning of Defendants’ activities, Plaintiff sent correspondence to Defendants demanding that they permanently cease and desist from marketing, promoting, manufacturing, offering for sale and selling any products or services that use the Deftones’ marks.

36. In willful disregard of Deftones’ intellectual property rights, of which Defendants were on actual notice, Defendants continued to market, promote, manufacture and offer for sale products that infringe Deftones’ rights and cause consumer confusion. Such ongoing conduct reflects Defendants’ defiance and willful intent to infringe and violate Deftones’ rights.

III. Plaintiff Is Suffering Irreparable Harm

37. Defendants have undertaken activities in connection with the sale and promotion of products that are likely to cause consumer confusion as to the source or origin of their goods. In particular, consumers are likely to mistakenly believe that Plaintiff is the source of Defendants’

products bearing the DEFTONES mark and/or the SKULL mark, or at that minimum that Deftones is affiliated with, sponsored or has endorsed such products.

38. The likelihood of confusion, mistake and deception created by Defendants' sale of the infringing products, as well as the dilution of the DEFTONES and SKULL Marks by such sales, are causing irreparable harm to Plaintiff and the goodwill associated with Deftones' brand name.

39. Upon information and belief, Defendants know, and at all relevant times knew, that consumers were likely to believe that Defendants' products bearing the DEFTONES mark and/or SKULL mark were authorized, sanctioned or licensed by Plaintiff, even though they were not.

40. Upon information and belief, Defendants undertook the actions described herein with the deliberate intent to create confusion as to the source, sponsorship and quality of Defendants' products and to dilute the distinctiveness of the DEFTONES and SKULL Marks.

41. Upon information and belief, Defendants undertook the actions described herein to mislead consumers into believing that Deftones has endorsed, sponsored or is somehow associated with the unauthorized merchandise.

42. Upon information and belief, Defendants adopted the DEFTONES and SKULL Marks to, at a minimum, call to mind Deftones and its music.

43. Defendants' conduct described herein is intentional, fraudulent, malicious, willful and wanton.

44. Defendants' conduct has injured Plaintiff, and if not enjoined, will continue to injure Plaintiff.

45. Defendants' unlawful actions described herein commenced many years after Deftones began using the DEFTONES and SKULL Marks, many years after the DEFTONES and SKULL Marks achieved worldwide fame, and many years after Deftones registered its DEFTONES trademark in the United States.

46. Plaintiff will suffer irreparable harm to its business reputations and the goodwill associated with the DEFTONES brand and SKULL mark because it has no control over Defendants' products.

47. Plaintiff will also suffer irreparable harm because Defendants' use of the Deftones' mark dilutes the distinctiveness of Deftones' famous trademarks.

48. Defendants' deceptive conduct is harming the public in addition to harming Plaintiff and its brand.
